

-Prayer List-

- Please pray Parker McDaniel and Samantha Burns. They will both be having surgery Wednesday (10/13) in Atlanta as part of a kidney match program with multiple donors. Parker will be getting a kidney, and Samantha will be donating a kidney. **Urgent Update:** *Parker is now having some GI bleeding which has made his hemoglobin numbers drop to a level (if it were to continue to drop) that would prevent him from having the transplant this week and have him have to start the transplant process all over again. Our prayer for Parker is that his numbers stay up and high enough so that he can have the transplant this week.*
- Ronnie Williams, brother of Pam Butler, passed away. Please pray for the family.
- Keith Pettigrew, nephew of Sandra Patteson, passed away. Please pray for the family, especially his wife Regina.
- Please pray for Robbie McClellan, niece of Gloria Allred. Robbie's mother-in-law passed away.
- Please pray for Edna Simmons who is recovering from a stroke and is back in the hospital.
- Please pray for Dot McLemore who had a fall and broke her collarbone
- Please pray for Sam Craig who is back at Eisenhower hospital with a bleed.
- Please pray for Rachel Patterson, mother of Angie Graves, as she begins kidney dialysis. She is in Doctor's hospital but expects to be released soon for outpatient dialysis.
- Please pray for Rea family. Kian has COVID.
- Please pray for Glenda Whitley who has not been feeling well.
- Please pray for Meghan Butler, cousin of Lee Starr, who was diagnosed with breast cancer.
- Please continue to pray for Natalie Weathers, daughter of Ben and Beverly, who should get CT and biopsy results and some answers soon.
- Please pray for Corrine Smith who had two outpatient surgeries in the last couple weeks.

India Mission Update

Expansion Continues

Our greatest challenge now is teaching and strengthening 25,000 new Christians, all baptized over the past 18 months. The task is mind-boggling, but God is great and continues to equip us as necessary.

New children are showing up at our campuses, many coming as a result of the loss of parents during the pandemic. A new home (#4) has been established in one of the areas most impacted by Covid,

The last report shows 82 widows, sisters in Christ who lost their husbands during the pandemic, have now been given goats. We are still working to care for 20 more.

Thank you for your recent contribution to this great work!
