## 2 Housekeeping Items

It’s a blessing to be a part of the Central church family. And within any family at times, we have to cover (what I call) housekeeping items so that the family can function on all cylinders at all times. Here are just a couple of things that we’d like to bring to the church body’s attention.

1. Many of us (I Know I Do!) often bring a drink with us for worship or Bible class. If you are like me, you like your coffee or hot drink and love to bring it with you to church too. There is no problem with this at all. We would just ask that if you do bring a drink with you in the building for class or worship or any other function, that you please make sure there is a top/lid on your cup/bottle/tumbler. This helps us avoid accidental spills and having to clean stains off the carpet throughout the building.
2. If you are like me, you love getting to talk to members/visitors after church services in the foyer, auditoriums, and other common areas. Many times, these areas are busy and filled with small groups chatting and fellowshiping. We Love This!

Our congregation is diverse in many ways - one being age. It’s a blessing to have so many young people, but also to have so many “more experienced” members as well. Some of our “more experienced” members don’t always move as fast as our youngsters and one thing we’ve noticed recently is that if our youngsters are running around our older members in these common areas after church, it’s difficult for our older members to always get out of their way.

Recently we’ve had some slight collisions where some of our youngsters have run into some of our older members. We’d hate for anyone (including the kiddos) to get hurt and want to be proactive and be a help for all. Because of this, we’d like to ask all parents that have younger kiddos to ask them to avoid running in the common areas where everyone is and/or direct the kiddos to the fellowship hall where it’s okay to run around.

To help with this we’re going to move all of the tables and chairs out of the way so that nothing becomes a hazard for our kiddos if they run around in the fellowship hall.

Thanks so much for helping us out with these two items. We want the best for our congregation in everything that we do. We appreciate so much each of you and what you bring to the body of Christ. If you have any questions about these items, please direct any questions or comments to our elders.

In Him,  
Jeremy Hinate (Involvement Minister)
