India Mission Update

SOULS

Photo: Wrapping up a Bible study, the elderly man in the front had many questions. As we answered, I sat praying, hoping his soul would be delivered from Satan's darkness. At the end of the study, he, along with four others, were baptized.

We had to travel to the Indian Embassy in Washington DC on Monday and have received new one-year business visas. We are very thankful.

Thank you for your contributions through February. Together, God is using us to teach His soul-saving message and to care for the fatherless and widows.

~Don and Cathy Iverson

Update on Covid-19 Seating

As more and more people are vaccinated and as our attendance numbers grow, we will continue to take appropriate steps to help manage keeping everyone safe yet providing more space to comfortably worship.

Our next step towards this began last Sunday. We took down the chains (that block off pews) in the two middle areas in the new auditorium. The outer sections will continue to be chained off every other row as usual. We also will continue to have the old auditorium as a worship location option - it will continue to be a mask mandatory area.

Thank you for your patience throughout this pandemic and being flexible with so many changes. We pray that we'll all be back together soon worshipping as usual.
