Update on Covid-19 Seating

As more and more people are vaccinated and as our attendance numbers grow, we will continue to take appropriate steps to help manage keeping everyone safe yet providing more space to comfortably worship.

Our next step towards this began last Sunday. We took down the chains (that block off pews) in the two middle areas in the new auditorium. The outer sections will continue to be chained off every other row as usual. We also will continue to have the old auditorium as a worship location option - it will continue to be a mask mandatory area.

Thank you for your patience throughout this pandemic and being flexible with so many changes. We pray that we'll all be back together soon worshipping as usual.
